Re: Children's Ministry Reopening Update

We have anticipated with great excitement the reopening of our Children's Ministry and had scheduled Children's Church to begin on June 21. As we consider the possibility of starting the reopening process the health and safety of our children and families are our top priority. In light of the recent rise in COVID-19 cases, **children's church will not reopen this Sunday**; however, we will be opening our nursery. All children will continue to be welcome in main service.

We are implementing the following safety guidelines:

- Workers will be required to have their temperatures taken and wear a mask.
- All children entering the nursery will also have their temperatures taken.
- Personal belongings will not be allowed inside of the nursery. Diapers will be provided by the church.
- The number of children entering the nursery will be limited to 6.
- All toys & hard surfaces will be sanitized and properly cleaned.

Additional guidelines are attached and will be posted.

Children in preschool through fifth grade will remain in the church service with their families. Activity packets have been prepared with a special Father's Day Emphasis. Thank you for your patience and support as we seek Gods direction. One of my favorite scriptures I pray over our SapNaz Kids is found in Jeremiah 29:11 "For I know the plans I have for you declares the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future." Please join me in prayer as we seek Gods plan for our Children and the proper time for reopening our Children's Ministry.

God is with us and His timing is perfect.

You are Loved,
Debbie Martin
